## What we do

### International Freight Forwarding

*TIME SHIPPING* assists you throughout the whole shipping process: from obtaining all necessary documentation (licenses, certificates, etc.) to negotiating letters of credit, from picking up the cargo to delivering it, worldwide.

### Warehouse

*TIME SHIPPING* works in its own Customs bonded warehouse, therefore it grants you total control of your cargo, providing you with a wide range of services for break bulk, distribution, storage, unloading and reloading cargo; from its warehouse, it also offers delivery service to the whole Italian territory.

### Ocean Freight Consolidator

*TIME SHIPPING* is specialized in LCL freight forwarding, granting you a one-contact-for-everything service: from picking up your cargo, to loading it into its own containers, from issuing bills of lading, to shipping and delivering it.

### Sea Specialists

*TIME SHIPPING* being in touch with most of the major carriers, it can offer you the best service for all your importations and exportations, be the on door-to-door delivery, DDU, C&F or EXW base.

### Customs Brokers

*TIME SHIPPING* assists you getting all needful documentation for customs operations, being always up-to-date on Customs rules and regulations, both for importations and exportations.

### Air Shipments

*TIME SHIPPING* also handles air shipments, both to and from Italy; having own organization and partners in the main Italian airports Milan MXP, Rome FCO, *TIME SHIPPING* can organize and follow big shipments as well as small-parcels shipments, giving you a reliable, money saving and on-schedule service.

### Distribution

*TIME SHIPPING* can pick up and deliver cargo from and to the whole Italy, providing on time service to match all customers' shipment and market needs.
